The event served as a dynamic hub for digital tech and innovation. We engaged in fruitful discussions with partners, exhibitors and other attendees, exchanging ideas and exploring opportunities for collaboration and growth.

MUSTAFA MURAD
COO, Gulfsat

The event provided an excellent opportunity to showcase our innovations and delve into emerging technology. The event exceeded our expectation with remarkable turnout, which generated numerous inquiries.

RAGHUNATH T N
Sr. General Manager, SFO Technologies

The IoT India Expo was a tremendous success for our team. Our colleagues spent three days generating new leads, fostering current relationships, and forming new partnerships. Kudos to the organisers!

Escort Monitoring Systems

We had a good experience. We received a diversified footfall at the stall compared to our regular customer base. Through this space, we got to know that new segments are opening up to our software.

JITENDER SANDHU
